

*The Legacy Continues!*

LOVEWITHOUTREASON.ORG

# DIRECTOR'S UPDATE

March 2023 was memorable for Love Without Reason as our 5th Zimbabwe medical camp since 2017. It was a beautiful time to meet new faces, and to also see those patients, friends and volunteers from the previous medical camps.

Over sixty patients and families were screened during the medical camp, which was held at Parirenyatwa Group of Hospitals in partnership with the Global Cleft and Craniofacial Foundation, Samaritan's Purse, Grace Pentecostal Church in Pennsylvania, our partners in South Africa, and Revival Ministries International in Zimbabwe. Our partners raised funds and in-kind donations for the success of the medical camp.

We are so grateful to our monthly donors and our supporters who understood the need in Zimbabwe and partnered with us to change the smiles of 38 children and their families after successful surgery. Love Without Reason has now completed 878 surgeries in 5 different countries and operates in 7 around the world.

Read about the beautiful Melody, Launching Philip's Dream, and upcoming events. Your gift today is transforming the lives of children around the globe! Thank you for being a partner with us! Santhosh Mathews

P.S. You can Make It Count with your gift today for the upcoming summer camps in Kenya and in Tanzania.

Give online at [www.lovewithoutreason.org](http://www.lovewithoutreason.org)

Save the date for the annual 5K run4Love on Saturday, September 9, 2023 at the Tennessee Riverpark, Pavilion #4. This year we invite you to join physically or virtually to run and "Race to the Dream." We will have a fun morning with a Big Wheel Race for the kids and a 10K or 5K race for the family. Mark your calendars, today!

# WHAT IS #PHILIPSDREAM?

In the Summer of 2017, Philip prayed for Santhosh who was traveling for the Zimbabwe camp. His prayer was, "God, help us so that we can work until the world is cleft free." It was the first time we heard that phrase, and it became a rally cry for the entire Love Without Reason family.

On Philip's last day on earth, Santhosh and I promised Philip that we would continue to serve God, and we would continue Philip's Dream: to work until the world is cleft free and to work until there are no more sold. In the early part of 2020, we planned to "Launch Philip's Dream." But a global pandemic put those plans on hold. Now, we are going full force and giving you a chance to be a part of the movement to work to end human trafficking and to prevent it before it even starts.

**Learn more about the #PhilipsDream campaign on the New web page [www.lovewithoutreason.org/Philip](http://www lovewithoutreason.org/Philip).** Your gift of \$50 or \$100 a month brings transformation and change to the most vulnerable. Thank you for believing in #PhilipsDream.

## HIGHLIGHTS FROM THE ZIMBABWE MEDICAL CAMP 2023

## A Beautiful Melody

Melody was born in a rural village that was located over 100 miles from Harare, Zimbabwe. Her parents loved her and cared for her, but the community was not supportive. They struggled with feeding her and with treating her ordinary respiratory infections for the first six months of her life. When they learned about the Love Without Reason camp, they made the sacrifices to come and be screened. The family had never heard the words 'human trafficking.' They listened as the counselors educated them on how children like Melody were vulnerable to these evil people who exploited children. They were given information of the local authorities to reach out to in case of any suspicious observations in their village. Melody was also screened by the medical team and cleared for surgery! Her surgery was successful, and her family received valuable education about human trafficking. Because of our partners like you, we are fulfilling the mission of Love Without Reason and preventing human trafficking before it even starts. Your gift of \$50 or \$100 a month helps us continue to provide this training and education for every parent and volunteer in every medical camp in every country we enter.
