"UNTIL THERE ARE NO MORE SOLD!"

GIFT A SMILE   
**THIS CHRISTMAS**

## A YEAR OF CREATIVITY AND INNOVATION

The year 2020 started with a lot of hope and promise. In February, Love Without Reason brought the medical team, administrative team and volunteers from Asia, America and Africa to converge in Kenya, Africa and Zimbabwe, Africa. After successful craniofacial surgeries, plans were made for the remainder of 2020. However, the pandemic hit, and missions, travel, programs, fundraising events and speaking engagements were put on hold.

Yet, everyday babies continue to be born worldwide with clefts. Human trafficking did not decline with a global pandemic. In fact, in many cases trafficking victims only increased in number.

The LWR local teams in Kenya, Zimbabwe, and India understood the pandemic affected the most vulnerable. A different program was coordinated to distribute hampers of food and hygiene kits as disaster relief measures to feed children and families in the communities that LWR has reached. Women in Project Butterfly in the red-light areas of Mumbai began to reach out to women and children struggling with hunger and no resources. They learned to sew face masks for the first time and distribute them throughout the slum areas.

In 2020, new partnerships were formed. For instance, the Indian Women's Association in Zimbabwe prepared 150 hampers of food, which would feed one family for several weeks. The women, led by Madam Zing, the wife of the Ambassador R. Masakui from India, came together during the pandemic to serve the needs of the people of Zimbabwe. The leadership of Children's Network International collected hampers of food to serve the people of Bangladesh, and was able to reach one thousand individuals by boat with the help of Love Without Reason.

In November, three minor boys were identified in the red-light areas of Mumbai. The Project Butterfly team recognized that new children were brought into the slum areas. Their covert work has led to the safe transport of the three children to Asha Nepal, partners who are involved in the safe harbor and education of vulnerable children in Asia.

We look forward with great hope to 2021. From all of us in the Love Without Reason family from India, Kenya, Zimbabwe and the USA, we wish you a Merry Christmas and a Blessed New Year!
