

**Dear friends,**

Just like that, 2025 has come to an end—and what an extraordinary year it has been for Love Without Reason. As we look back, **our hearts are full of gratitude for you, our faithful donors and supporters.** Your generosity made every milestone possible.

When this year began, we were preparing for four cleft lip and palate surgical missions. But because of our newly formed Zambia team and a new partnership with the government of Bihar, our impact grew beyond anything we imagined. Together, we conducted **a record six cleft missions, providing over 250 life-changing surgeries in 2025 alone.**

At each mission, mothers received Set Free Pads along with education on hygiene and women's health—practical tools that restore dignity and promote long-term well-being.

Our sisters at the Project Butterfly Center continued their courageous work, distributing more than 200 Set Free Pads to women trapped in sexual slavery. With every interaction, they shared a message of worth, honor, and hope—reminding each woman that she is seen and valued.

This year also brought clean, life-giving water to communities in need. **Three new water wells were dug in India, and a fourth site was scouted in Zambia.** Thanks to you, entire villages now have access to safe drinking water.

As we launch into 2026, we invite you to continue standing with us. Your support empowers surgeries, restores dignity, rescues the vulnerable, and brings clean water to families who have waited generations for it.

**None of this happens without you.**

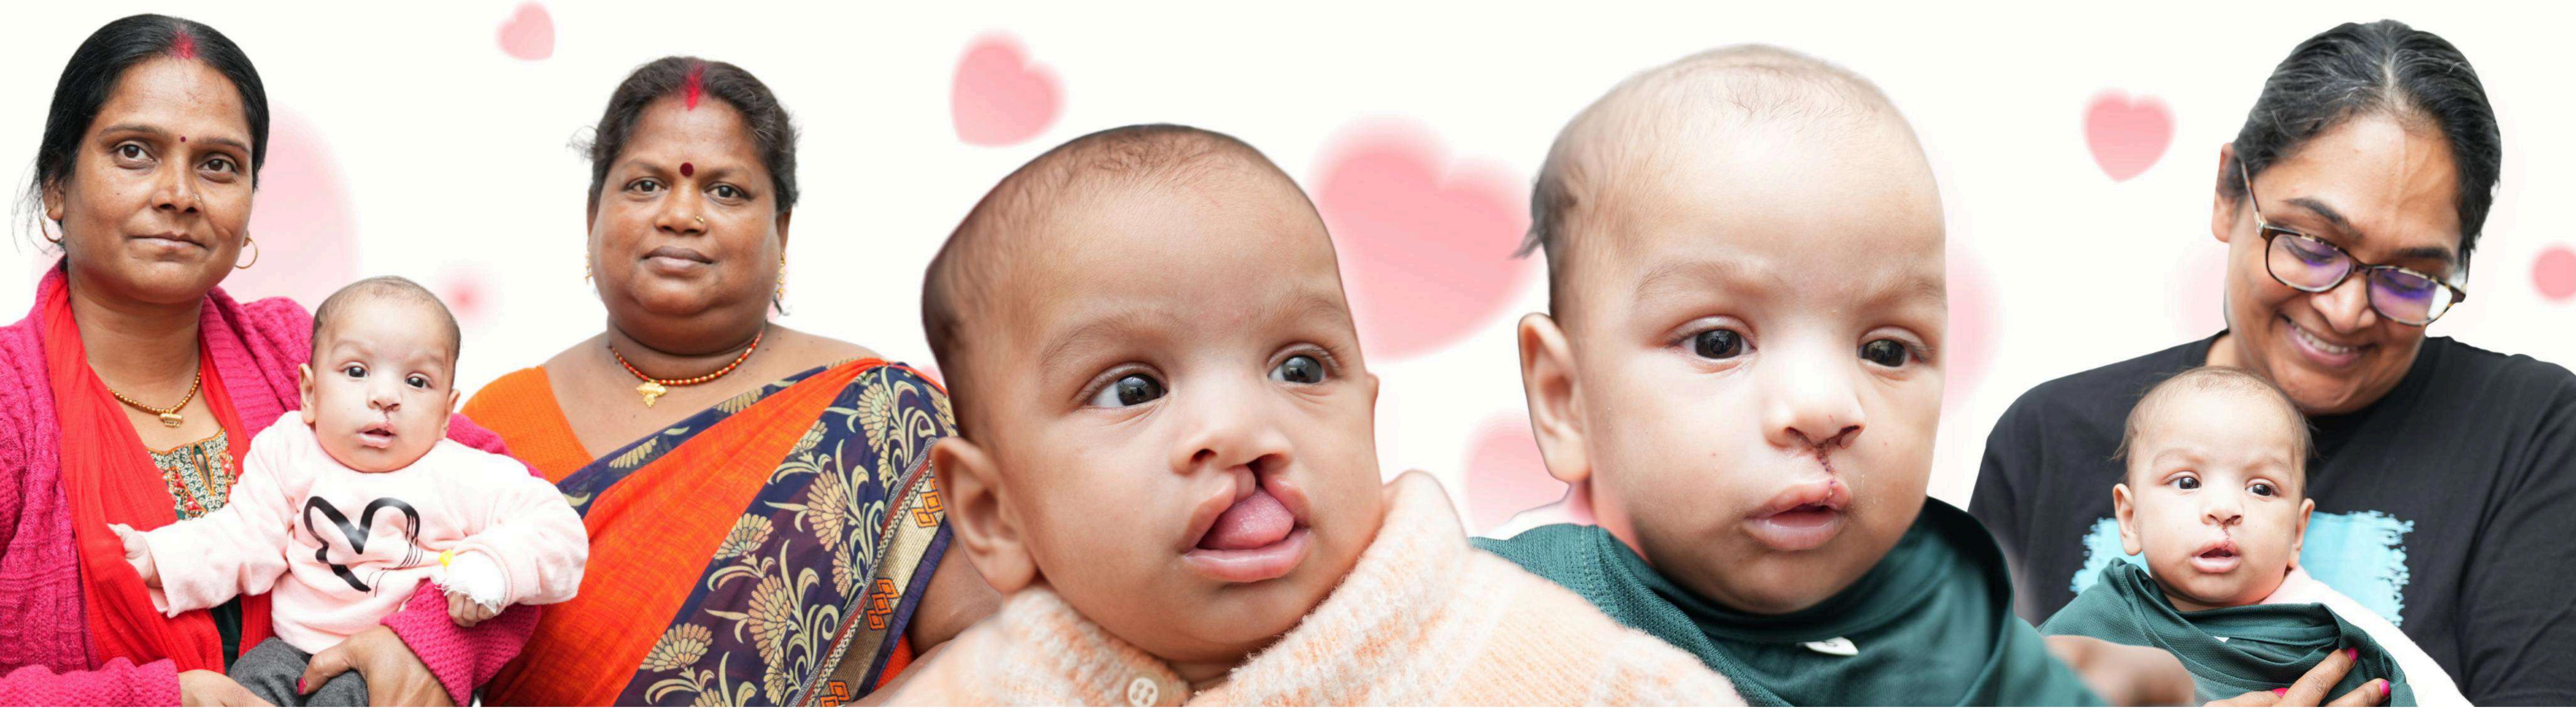

**Thank you for believing in this mission and for giving love without reason.**

*Wishing you all a blessed and prosperous 2026,  
Santhosh & Susan Mathews*

**Until the World is Cleft Free**

## **The World Rejected Her, But She Will Change the World!**

In all our years of running cleft missions, we have met many organizations that care for children in orphanages. We have often shared about our work and encouraged leaders to reach out if they ever welcomed a child with a cleft lip or palate. Until this Bihar mission, none ever had.

**Then came baby Devansh.**

She was brought to Duncan Hospital by **two caregivers from an orphanage**. They told us this beautiful four-month-old girl had been **found near the trash bins—abandoned at birth**, unwanted and alone. Police were notified, but her parents have never been found.

**Today, thanks to the hands of compassionate surgeons and the love that flows through this mission, her smile is forever changed.**

The orphanage staff told us, "We have felt love from the moment we entered this hospital. Everyone was kind and accepting of us. Thank you."

Their joy was contagious. **Devansh, once rejected by the world, now radiates a light that can change it.**

Every surgery like hers is made possible because of friends like you. **Your monthly gift of \$50 or \$100 joins what we call the Philipians Circle** – the community of monthly supporters who form the bedrock of Love Without Reason. **With your faithful giving in 2026, we will find, love, and restore more children like Devansh across the globe.**

Stay tuned to see a special video featuring her story on our social media platforms.

**Until the World is Cleft Free**

## **Set Free Pads: Breaking Barriers With Compassion**

Every \$50 you give provides a young woman with women's health education and a Set Free Pads kit, crafted and delivered by survivors of human trafficking. This simple act restores dignity, opens doors to education, and empowers survivors with sustainable work. Thank you for partnering with Love Without Reason to transform lives.

## **Changing Communities Drop by Drop**

Clean water should never be a luxury, yet for many it determines survival. This year, your kindness made it possible to complete three wells in India and launch our first well in Africa. A contribution of \$1,000 can equip a village with safe, life-giving water. Thank you for standing with us and making this powerful impact possible.

**“One well. One family’s income. One community rescued.”**

## A Tribute to Carolyn Napier

Carolyn Napier, a native of Canton, Georgia, went home to heaven on October 22, 2025, on Love Without Reason Day. We first met Ms. Carolyn and her husband Nathan in 2023. Her desire was to join our mission and travel to Kenya and Uganda. She did not let cancer or any of its effects keep her from sharing her story and encouraging the people.

We are so thankful for the impact she made on the Love Without Reason family, and are committed to continue sharing the love that she radiated to each of us on the Love Without Reason team. Thank you to all who gave a gift in honor of Carolyn. Her love and gentle smile is missed, but her legacy of generosity lives on.

## FATHER Daughter DANCE 2026

**Save the Date for the annual  
Father Daughter Dance - a Masquerade theme!**

**Saturday, February 7, 2026**

**Register Now!**

**Help us begin 2026 with strength and compassion.**

Your generosity and partnership make all the difference. When you become a monthly donor and join the PHILIPians Circle, your faithful gift each month for the next twelve months brings hope, healing, and immeasurable impact to the children we serve.

Our first cleft missions of 2026 begin in February—one in Garissa, Kenya led by our Zimbabwe medical team, and one in Assam, India led by our India medical team. Together, these missions have the potential to serve 100 families in just one month.

A one-time gift of \$1,000, or \$100 per month, provides one life-transforming surgery.

Will you help us provide 100 surgeries this February?

Thank you for believing in Philip's Dream and for standing with us in love and compassion.
